

Cost of Services Form with Attestation

Different service level options are listed below. Please circle the option desired and sign attestation below. Bring this form with you to your first appointment or send to me.

Option 1:

Review of CPC data and report, with written interpretation done on the SleepImage platform. This is for referring healthcare practitioners and cost is **\$ 45/study night**. Please contact me via the contact form to set up a billing account; we will not bill the patient or client directly.

Option 2:

Receive a shipped recorder and supplies, capture 2-3 nights of EKG data, and return 2-page questionnaire with the device for upload, direct data review. This includes 2 -3 SleepImage CPC studies and a 30 minute phone or video discussion based on CPC results and sleep complaints (Includes 1 page typed summary). – **\$ 450**.

Option 3:

Follow-up SleepImage CPC study, interpretation, and review of the results in telephone or video consultation (15 minutes) – **\$250**.

Payment by personal check payable to Neale R. Lange.

Please contact me to use a major credit card (Mastercard or Visa) or Bank Debit Cards using Venmo.

Attestation:

I have read understand and accept the scope and limitation of services as well as payment obligations.
